

# HARMER COMMUNICATIONS

"We've got you covered!"

Harmer Radio and Electronics Radio Operations Manual

## Kenwood Rental Radio

## Basic Operations

For assistance please call our office at 808-877-8082.

**NOTE:** Some radios are programmed with more than one channel, make sure you and your crew are communicating on the same channels.

**\*\*PUSH-TO-TALK\*\***

Press the PTT button, then talk. If you talk too soon, the receiving radio may not hear the start of your sentence.

### MICROPHONE:

Talk approximately 1 inch away from the mic. Mic is located on the front mid section of the radio.

## Care and Charging:

- Radios are NOT water proof, keep them dry at all times.
- Turn the radio off when its in the charging bay.
- You may charge the batteries separately from the radio.
